# President's Report

June, 1928 -- June, 1929

Warren, Pa., June 20th, 1929.

To the Members of Warren General Hospital Corporation:

It is with a great deal of regret that I am unable to be present at the First Annual Meeting since I have been President of your Board; but I submit herewith a brief report, touching upon a few of the main things that have occurred during the past year.

First of all, is the wonderful co-operation that I have had from Miss Priddle and her entire Staff. They have at all times worked for the best interests of the Hospital and I believe through their efforts, have succeeded in maintaining the high standard which the Hospital has enjoyed in former years.

During the year we have made a number of changes in and about the buildings, the principal one being the remodeling of our Operating Room. This room has been rebuilt so that we now have two operating rooms where two major operations can be carried on at the same time; and they have been furnished with the most up-to-date equipment obtainable, including new lights, cabinets, tables and instruments.

Our Sterilizing Room, located between the two Operating Rooms, now has new electrically heated and controlled sterilizers, also new basins and supply cabinets.

The X-Ray Room has been changed over so that the work in that department can be carried on to a much better advantage.

The Contagious Building has been discontinued and has been renovated and remodeled into much needed quarters for the nurses.

Your Governing Board is now meeting in the parlor of the Weatherby Home. This room has allowed us to add two additional rooms to the Hospital, and through the bequest of Blanche M. Partridge, one of these rooms has been properly and adequately furnished.

The citizens of Warren and vicinity again responded generously to our Donation Day and on National Hospital Day we received about two hundred visitors, who were shown to all parts of the Hospital by the Staff.

I was greatly pleased when we were notified that Governor Fisher granted an increased appropriation from \$7,500 to \$10,000 for the biennium: 1929-1931.

Our Roentgenologist, Dr. George L. Condit, resigned in February and a committee appointed to obtain his successor have secured the services of Dr. Morris, of Jamestown.

The disaster in the Cleveland Clinic has made us feel the necessity of a different means of taking care of our old films and we are now working out a plan for the outside storage of our X-Ray films and taking other precautionary measures for the safety of our patients and others.

Through the generosity of Mr. M. D. Crary, a tennis court was constructed and completely equipped.

We have keenly felt the loss of our Board Members, Mr. A. J. Hazeltine and Mr. D. L. Gerould.

In closing, I wish to personally thank all the physicians, surgeons, employees, members of the Board, and many others who have given so freely and generously of their time, advice and co-operation.

Respectfully submitted,

H. D. KOPF, President.

## Secretary's Report

The Board of Directors of the Hospital held their Organization meeting on June 26th, 1928, and have since held twelve regular meetings and one special meeting, with an average attendance of eleven.

From the minutes of the meetings, there are noted some of the more important happenings of the year.

The need for repairs in the operating room gave opportunity for reconstruction of this portion of the Hospital and as a result, the Hospital is now provided with two equal-sized operating rooms equipped with electric sterilizers and the most improved electric lights for operating. The former Director's Room has been given up as a meeting room and by means of the changes possible by this action, two new private rooms have been added for the use of patients. The Directors have found the parlor of the Weatherby Nurses Home a very comfortable meeting place. The use of the cottage on the Hospital property as a Contagious Ward was discontinued, and changes in the building made which now furnishes rooms for eleven nurses.

A statement from the State Auditors was secured that the State makes no restriction in the use of funds bequeathed to the Hospital without specific purpose and that the Hospital can use the income from these funds in any proper way without affecting the amount it would receive from the State.

An appropriation of \$10,000.00 was secured from the State for the biennial period.

Ten probationers were admitted for the training in the fall and nine diplomas were granted at the Commencement Exercises on May 28th.

The community was very generous to the Hospital on Donation Day, which was observed on October 20th, and with the very efficient co-operation of the Boy Scouts, aided by the trucks furnished by many merchants and manufacturers, large quantities of canned fruits, jellies and vegetables were acquired for the use of the Hospital patients.

Hospital Day was observed on May 12th with perhaps the largest attendance of visitors yet noted, numbering about two hundred.

The Hospital suffered the loss of two of its most loyal Directors, in the deaths of Mr. Hazeltine and Mr. Gerould, both of whom were unusually devoted to the welfare of the Hospital.

Mr. Hazeltine made a bequest of \$10,000.00 to the Hospital, and the Hospital received \$45,891.62 from the Hoffman Estate bequests. The Dora M. Mair and Blanche M. Partridge Room Fund of \$1,200.00, and the Jennie Kingsley Thompson Room Fund of \$1,000.00, were also received. The Pennsylvania Gas Company made a contribution of \$750.00.

The Year's reports show some decrease in the total days care given for the year, the decrease being due, in part, to a lesser number of patients from out of town. The average cost per person per day shows some increase, but this is due at least one-half to the extra expenses connected with the reconstruction of the operating rooms and the adding of the two private rooms.

The physicians of the County have given the Hospital hearty co-operation throughout the year. The following have acted as service doctors for the care of charity patients:

June and July—Dr. E. G. Hamilton and Dr. Otterbein.

August and September—Dr. W. M. Robertson and Dr. E. Beaty.

October and November—Dr. Schuler and Dr. Brown.

December and January—Dr. Shortt and Dr. Briggs.

February and March—Dr. P. B. Stewart and Dr. Smith.

April and May—Dr. H. Robertson and Dr. Frantz.

MINER D. CRARY,

Secretary.

## Auditors' Report

August 1st, 1929.

To the Board of Directors of the Warren General Hospital:

We, the undersigned, auditors of the books of the Warren General Hospital, beg to report that we have examined the books and accounts as kept by Harriett E. Wallace, Treasurer and L. Mae Priddle, Superintendent, and find them to be correct.

We also verified the balances as shown by the books of the various funds and have examined the securities and mortgages in the said funds, and find them to be correct.

Respectfully submitted,

A. H. WICKSTROM,

H. B. MEACHAM,

Auditors.

## Training School Report

**June, 1928 -- June, 1929**

During the year, the work of the Training School has been most gratifying and the results most satisfactory, in spite of necessary changes in the instructional staff. The vacancy caused by the resignation of Miss Reed, February 1st, has been filled by Mrs. Grace M. Hulst, who began her duties February 18th. The work of Mrs. Hulst has been very satisfactory.

The efficiency of the academic work is largely due to the splendid services rendered by the Medical Staff through lectures and demonstrations. Special mention is made of the services of Dr. Petry and Mr. M. Deardorff, of the Board of Directors and of the Hospital Staff, which enables us to report that the School is a little ahead of schedule at the close of the year.

The Training School has been enhanced by the addition of commodious living quarters—a night nurses' cottage.

Unfortunately, the nursing staff has suffered during the year through the necessity for several operations among the students. However, we are pleased to report that there has been comparatively little illness necessitating medical attention. We desire to express our appreciation of the splendid service rendered by Drs. Schuler, Robertson and Young during the illness of the students.

The Commencement activities are of special interest, but this report permits only brief mention of them. The Graduating Class was entertained by the Intermediate Class, the Nursing Staff, and the Warren General Hospital Alumnae Association which presented the annual scholarship to encourage proficiency in theory and skill in practical work. Scholarships were won by Miss Adelaide Watson and Miss Sigrid Johnson.

The annual Florence Nightingale Church service was provided by the Ministerial Association and was conducted in the Lutheran Church, to which we beg to express our appreciation. Special mention of the services of Rev. Stoddard, Mr. Kopf and the Members of the Board of Directors, is hereby made.

**Statistics**

Graduating Nurses: Viola Cecelia Carlson, Sigrid Marie Johnson, Adelaide Louana Watson, Marion Janet Kashner, Bertha Estella Engel, Clara Marie Ogren, Catharine Isabelle Sullivan, Ellener Victoria Strandburg, Emma Marie Henning.

June 1st, 1929. Seniors, 6; Intermediates, 10; Junior, 9; Probationers, 5.

September, 1928. Probationers admitted, 10.

February, 1929. Probationers admitted, 5.

Students withdrawing: Seniors, 1; Juniors, 5; Probationers, 2.

June 1st, 1928. Students enrolled, 32.

June 1st, 1929—Students enrolled, 30.

## OFFICERS FOR YEAR ENDING 1929

President.....	Mrs. Anna Bosin
Vice-President.....	Elise Edgett
2nd Vice-President.....	Margaret Horan
3rd Vice-President.....	Ethel Hodges
Secretary .....	Mabel Osgood
Treasurer.....	Lucille McLaughlin

---

The year of 1928 will be remembered as an interesting and enjoyable one for the members of our Alumnae.

Regular meetings have been held and many difficult problems have been discussed and acted upon.

We have been entertained in the homes of Mrs. Glenn Peterson, Mrs. Paul Arnold, Mrs. Mary Gibson and Mrs. George Frantz. At the latter, a tureen dinner was served before the meeting. Our other meetings have been held in the reception room of the Rachel Weatherby Nurses' Home.

Our Annual Christmas Party was held on December 21st, in the Y. W. C. A., in the form of a dinner, with card playing during the evening.

In May, the members of the Graduating Class were our guests at a dinner dance given at the Outing Club, at which time they were cordially invited to join our ranks and assist us in the work that comes before us at different times throughout the year.

At our September meeting, it was moved and seconded that the Alumnae buy a Registration Board for the nurses to register on when off duty, and a fee of two dollars a year to be charged for this service. This board is to be placed in the main building of the Hospital.

It was moved and seconded at our last meeting that we give five dollars to the Sheffield family whose home was destroyed by fire. At this meeting, the Alumnae took in seven new members.

Respectfully submitted,

MRS. ANNA BOSIN, President.

## List of Graduates

- 1903—Blanche Siggins (Deceased).  
Sarah Kerr, (Mrs. Balbach), (Deceased).  
Julia Anderson, R. N., Jamestown, N. Y., Public Health Work.

RA Warren General  
982 hospital.  
W 25 Annual report,  
DATE ISSUED TO 1929

# *Gifts and Bequests for the* **Warren General Hospital**

*Incorporated March 25, 1898*

All checks or property gifts for this institution should be sent direct to the hospital or they may be received by any member of the Board of Directors.

The donor should state distinctly whether he wishes his gift to be used for present indebtedness, or to be added to the permanent Endowment Fund of the hospital for the endowment of a bed or for some other special department of the hospital.

Care should be taken that bequests be made out in the corporate name of "The Warren General Hospital, of Warren, Warren County, Pennsylvania," and it should be distinctly stated if it is desired that they should be devoted to any particular department or added to any particular fund of the hospital.

If no special object is mentioned, the Directors will assume that the donor intends his gift to be expended for the benefit of the hospital in such manner as the Directors deem most necessary and advisable.
